on Saturday evening

Dear Friends of Nebraska Christian,

On behalf of the Nebraska Christian Schools family, we would like to welcome you to our Dinner and Benefit Auction. Our many families, dedicated teachers, administration and staff want you to know that they appreciate your presence and the support you show by your enthusiastic participation in the bidding this evening.

We are grateful for the generosity of so many in giving their time, talent, and resources to this event. We know that the financial gain realized is only part of the benefit we receive. We consider the relationships formed during the last seven auctions a great blessing to us and to the school.

*With thankful hearts,
Kathy Chase

Jody Heuermann
Development Office Staff*

The mission of Nebraska Christian Schools is to assist the family and church by providing a Christ-centered education, equipping students with a Biblical worldview and encouraging a love relationship with the Lord Jesus Christ.

The phrase that summarizes our purpose is:

“Building lives for eternity”

The reason for our Benefit Auction is.....

Private educational institutions such as Nebraska Christian Schools face the challenge of providing quality education without the help of tax dollars. Nebraska Christian is also not under the shelter of denominational support. Parents of students must bear the majority of the costs involved in educating their students, but tuition alone does not meet all the demands. We are thankful for friends like you who invest in the lives of our students as they are trained to impact the world for Jesus Christ.

*“The fear of the LORD is the beginning of wisdom;
and the knowledge of the holy is understanding.”
Proverbs 9:10*

THE NEBRASKA CHRISTIAN SCHOOLS FOUNDATION

*A message from Jody Heuermann,
Executive Director:*

Two years have passed since the inception of the NCS Foundation. We are grateful that many endowment areas have continued to grow in spite of a very difficult marketplace. Our foundation board is working closely with the NC School Board to determine new endowment area needs and to map out a vision of growth in student recruitment, building development and programming.

I welcome any opportunities to share our vision for the NCS Foundation at civic organizations or other groups. We want as many as possible to know that by investing in the foundation, they will be...

*“Leaving a legacy that builds lives
for eternity.”*

OUR MISSION IS.....

To glorify God by providing a means through which gifts can be received and invested in order to build a solid financial base for Nebraska Christian Schools.

104 Handmade keepsake quilt

This queen size pinwheel design quilt was handmade just for our auction by Marcella Hauser of Grand Island. Mrs. Hauser does all the piecing and then hires the final quilting.
