

## The Nebraska Christian Schools Dinner & Benefit Auction is just around the corner!

As one of the area's largest private sector employers, NC continues to make a positive impact on our economy. For the past 51 years, NC has brought families to the area both for education and employment. Our sports and fine arts events have attracted visitors who frequent our local businesses.

NC's current enrollment is 181 students in PreK - 12th grade. Included in that number are 31 international students from six different countries, thus bringing income from overseas.

*"NC is committed to educating, equipping and encouraging today's youth. A dedicated staff who love God and love others is what leads us to be one of the best private schools in the area."*

-Daniel Woods, Superintendent

Our students serve the delicious meal of grilled ribeye and shrimp.

We will be intentional about seeking out items that have a history of being the most desirable for our audience and the most profitable for our bottom line.
