

## Mission Statement

The mission of Nebraska Christian Schools is to assist the family and church by providing a Christ-centered education, equipping students with a Biblical worldview and encouraging a love relationship with the Lord Jesus Christ.

## What is Christian Education?

“Simply and directly put, Christian education places Christ in the center of the student’s universe. History, literature, sciences and math—every subject is taught as it relates to God. The pragmatic, naturalistic approach of the secular educator, that man and his attainments in science and materialism are the ultimate, are replaced in the Christian class by the conviction that God knows all, is above all, and is in all... Man must accept the fact that God has a purpose for man and the universe. Until man is in harmony with that purpose, very little learning of value can take place.”

– Walter Ediger  
Superintendent 1959-1973

“Over 50 years ago, a group of individuals stepped out in faith and founded Nebraska Christian Schools on solid biblical principles. Through God’s faithful provision, we still operate by those same principles today.”

– Josh Cumpston  
Administrator 2011-present

“Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up.”

– Deuteronomy 6:5-7, NIV

## Academics

- » Required daily Bible class and weekly chapel service
- » Biblically integrated curriculum
- » Rigorous college prep courses
- » College credit can be earned while in grades 11 and 12
- » 97% of NC graduates go on to college

“I am able to freely worship God at NC, and I get to study the Ultimate Truth of God’s Word as a part of math, science, English and history. To have this church-like fellowship at my high school is something that I will be grateful for as long as I live.”

– Jahn Landrigan, Class of 2013

## Extracurriculars

### Junior High, JV, & Varsity Sports:

Basketball	Football	Volleyball
Cross Country	Track and Field	Wrestling

### Activities:

Choir	National Honor Society	Speech
Concert Band	One-Act Drama	Student Council
Electronic Media	Quiz Bowl	Yearbook

## Dorms & International Program

Nebraska Christian Schools' dorms house both American and international students. American dorm students live in the dorms during the school week and return home each weekend to spend time with their families.

Our dorms are a full-time home for our international students hailing from six different Asian countries. Their presence on campus enriches the entire student body as our local students learn about international cultures and get to share American traditions with their Asian classmates.

“NC focused on providing students with the tools to be good students: problem solving, writing skills, and time management. My teachers pushed me to academic levels I didn’t think possible, yet the teachers and coaches also really care about the students, not just their grades.”

– Sarah Kauk, Class of 2005

## History

Nebraska Christian Schools opened its doors for 38 high school students taught by 6 teachers in September of 1959. Dorms were opened for both boys and girls that year. A junior high program was added in 1971 and grades kindergarten through 6 began in 1977. Recent NC students enjoy a new playground, state of the art high school and elementary classroom buildings, and an updated industrial technology facility.
