Building Lives For Eternity

The mission of Nebraska Christian Schools is to assist the family and church by providing a Christ-centered education, equipping students with a Biblical worldview, and encouraging a love relationship with the Lord Jesus Christ.

The reason for our Benefit Auction is.....

Private educational institutions such as Nebraska Christian Schools face the challenge of providing quality education without the help of tax dollars. Nebraska Christian is also not under the shelter of denominational support. Parents of students must bear the majority of the costs involved in educating their students, but tuition alone does not meet all the demands. We are thankful for friends like you who invest in the lives of our students as they are trained to impact the world for Jesus Christ.

*“The fear of the LORD is the beginning of wisdom;
and the knowledge of the holy is understanding.”
Proverbs 9:10*

“Leaving a legacy that builds lives for eternity.”

The option of a Christian education is available today at Nebraska Christian Schools because of people who came before us, saw a need, and worked to meet it.

Nebraska Christian Schools strives to offer students a high-quality education, grounded in truth that produces well-rounded individuals capable of excelling in whatever endeavor they choose to pursue.

Today, through the Nebraska Christian Schools Foundation you have the opportunity to leave your own legacy by building a secure financial foundation for Nebraska Christian Schools. Part of that legacy is.....

The Next 50 Years Capital Campaign will update aging campus facilities and provide new space which will dramatically impact our appearance and ability to accomplish these goals.
