Academics

Nebraska Christian offers a rigorous college prep curriculum that focuses on understanding concepts, integrating different subjects, and being able to apply that knowledge to many different areas. We offer intensive English classes, AP classes available through the University of Nebraska, and college credit opportunities through local colleges. We offer each junior and senior student personal and professional college counseling.

2019 International Alumni Accepted To:

Harvard University, Penn State University, Rutgers University, UC Irvine, UC San Diego, UC Santa Barbara, Syracuse University, University of Florida, University of Lincoln, University of Southern California, University of Washington and others.

***Note:** Our International students receive resident tuition at the three Nebraska universities, which calculates to saving over ¥140,000 RMB per year.

Personal Growth

- You will be held to high ethical and moral standards
- You will be challenged and encouraged to develop self-discipline and to set goals for your life
- We will give you the tools you need to be successful
- We will expect great things from you
- You will be immersed in American life and get to know students from other cultures

Social Life

- Friendships formed are the foundation of support for our students
- Travel – we take our international students on two trips a year. We have recently gone to Dallas TX, Denver CO, Chicago IL, and Branson MO
- Cultural Events – Broadway productions, NBA games, shopping, restaurants
- Monthly outings with American families
- Class trip for juniors (Minneapolis, MN) and seniors (Washington, DC)

Physical Growth

Athletics: Football, Wrestling, Track and Field, Basketball, Cross Country Running, Club Soccer

Academic: Robotics, Quiz Bowl, National Honor Society, Speech (Forensics), Yearbook, Math Contest, Art Contest

After School Opportunities: Archery, Boating, Biking, Cooking, Investment Club

"The academics are rigorous and equip students to handle their futures, whether it be university or employment, skillfully."

NC Graduate from China (Ranked #1 in Class)

"On campus, when someone has a problem, other students will try their best to help. International students' friendships grow stronger when they live and serve others as they care about each other like brothers and sisters."

NC Graduate from Vietnam
